What better way to spend your Thursday afternoon than grilling (or is it frying) onions or scoring goals? Well, we'd rather spend ours at Wedge Golf Lounge & Bar after work and lounge! That's where we met Wedge Golf Club Social Brand Manager Lucas Ng for office and mocktails. Located in Mont Kiara, both golf simulators, gourmet goodies and a PGA Professional, this boutique lounge nestled in the heart of Hartamas | Kiara Sq. at

You can even up the stakes or tone the PG, no one will judge you. Lynsanne, in contrast to other virtual sports venues in Malaysia (that are some of our golf and non-fan-a-thrash-teenager's mood), Wedge's is lit and and a breath of fresh air. Lively, the windows opening to a fair view of Mont Kiara, the place is filled with the sounds of laughter, cheers and the occasional "Fore!" (or whatever the hell golfers say). Wedge's is also a place for the whole family with outdoor tables for Sip-and-Stroll.

In the 5,500 square-foot lounge, you'll find pal-ooze rooms with two simulators and a karaoke zone. In the bar area - yes, you guessed it - there's a cinema! We start with two consistently canned cocktails in Tap Tap. The Kat Chai Fizz (RM35) is vodka infused with lemongrass, kaffir lime and lemon juice, with Thai Basil. Prince Harry (RM35) is a dark, sweet cocktail with ginger flower, lychee and other notes, making it the perfect refreshment after a hard day at the office.

Alternatively, settle straight in and go for a bottle. BSG Reserve Brilliant Gold (RM300), under the smart partner, Tanas, is a great choice. It's a medium-bodied wine with aroma of fresh berries, dipping with a nice orang finish on the palate. However, if you'd prefer to stay top of your game, reserve a table - free options, such as coffee, juice and mocktails are one-on-the menu. Were fans of both the Pandanfruit and Pine Guava OnCha Kombucha (RM10). They're light in effervescent with a moderate fruity sparpers.

Choosers. If you're doing sport, whether it's virtual or in-line. Or, you have to feel your tonic wife and it's a remarkable kind of practice, and Wedge Golf Lounge & Bar has got you covered here. We began our carr loading with the Mangkorta (RM30) from MyFoodLab, which is the brainchild of Michelin-grade and Fine Dining Lab chef-owner, you-know-that-Lai Lai-wan. Mary's Lamb (RM35) – Chi's' favourite – and the Honey-Mustard Bacon (RM35), which was an interesting combination of small sequences, mushrooms, vacuum and honey-mustard.

Also perfect for sharing is the Prize Platter (RM35) from Mont Fantasy, which consists four-cheese fondue, Bavarian Pretzel, Bacon Bits, Cheese Sticks, Chicken Nuggets and Fries. Ko's better around. Ms. Yi Ling Beer Fusions recommends Wedge Golf Lounge & Bar with Chicken Kaesagi (RM9.5) and a vegetarian option - Salt and Pepper Crispy Mushrooms (RM9.5). The mushrooms was my favour for because of the drill bit!! (I'm addicted to spice).

Dessert, ladieeee! Healthy... Yeah Kim-ian-ly ? Bar (RM35) have 10 ply protein, eight superfoods and or crazy ingredients. We had the Classic-ass Peanut Butter bar and the Banana Walnut Cake bar. Both were super tasty, and we thrilled to the prince as an advantage of the tea.
